

## After you've gone - 1/1

**Interprété par Toto.**

You're just a mile away  
One thousand five tiny steps from here  
But if I brought you near  
Would you believe when I say,  
It seems like yesterday  
That I could reach out  
and touch your face,  
But as I fall from grace  
Into whose arms can I lay

It's always much too late  
We get the signs  
We can't communicate  
Or turn back time

Refrain :  
So what will be now,  
Do you feel somehow  
Not so together  
And not quite as strong  
Now I believe  
Alone doesn't have to mean lonely,  
After you've gone

If it's a healing wind  
That cools the flame  
burning in my sight  
It must accelerate  
For 2 wrong they don't make a right

And all these solitaires, lone victories  
Wars fought in isolation,  
With none to please

Refrain

The future's still uncertain  
The past is done
