

After you've gone - 1/1

Interprété par Toto.

You're just a mile away
One thousand five tiny steps from here
But if I brought you near
Would you believe when I say,
It seems like yesterday
That I could reach out
and touch your face,
But as I fall from grace
Into whose arms can I lay

It's always much too late We get the signs We can't comunicate Or turn back time

Refrain:

So what will be now,
Do you feel somehow
Not so together
And not quite as strong
Now I believe
Alone doesn't have to mean lonely,
After you've gone

If it's a healing wind
That cools the flame
burning in my sight
It must accelerate
For 2 wrong they don't make a right

And all these solitaires, lone victories Wars fought in isolation, With none to please

Refrain

The future's still uncertain The past is done
