

Miss Sun - 1/1

Interprété par Toto.

Been thinking 'bout you all night
Guess you got me in a spell
But I think that I'll be all right
Even if I don't get well

Chorus:

Hey Miss Sun
What could I say
I tried to hold you
But the moon got in the way
It won't be long before the morning
Has you back in my arms

I can still remember
What you told me with your eyes
One kiss, now it's down to this
Guess it's time you realized

Chorus:

Hey Miss Sun
What could I say
I tried to hold you
But the moon got in the way
It won't be long before the
Has you back in my arms

Hey Miss Sun
What could I say
I tried to hold you
But the moon got in the way
It won't be long before the morning
Has you back in my arms

Hey Miss Sun
What could I say
I tried to hold you
But the moon got in the way
It won't be long before the morning
Has you back in my arms
