

# Stop lovin' you - 1/1

**Interprété par Toto.**

reflections in my mind thoughts I can't define  
My heart is racing and the night goes on  
I can almost hear a laugh,  
Coming from your photograph  
Funny how a look can share a thousand meanings  
Well- intended lies contemplating alibies  
Is it really you, or is it me I'm blaming  
A distant memory flashes over me  
Even though you're gone, I feel you deep inside

Dance beneath the light without look in your eyes

Refrain :

I can't stop loving you  
Times passes quickly and chances are few  
I won't stop till I'm trough loving you girl

There's a window in a heart  
I've tried to look through from the start  
You're never sure that someone else is thinking  
Someone's breaking something new  
Another altered point of view  
Just a certain someone's conscience playing

I held it in my hand I did not understand  
What lives inside the wind that cries her name  
Tried to catch a shooting star  
What seems so close can't be that far  
I'm living in a dream that never ending

Dance beneath the light without look in your eyes
