

Pamela - 1/1

Interprété par Toto.

Side by side , I ' ll be yours forever
Rain or shine, any kind of weather
There isn't anything I would for you
Let's take what's getting old and make it new

Oh, eye to eye, it's a blinding confrontation
You and I , we're a deadly combination
So don't start mixing truth with jealousy
The road we're on is clear as far as I can see

Refrain :

Pamela, don't break this heart of mine
Just remember, it may not heal this time
Pamela there is no second chance
For the one who lives it all behind

Black and white always go together
Day and night you're the precious jewel I treasure
Wanting every part of you is not a crime
Or could it be that you're the one who's wrong this time

Refrain

(Break)

All that I love (All that I love)
Thousand of miles away, but always in my heart
