

## From this moment on - 1/1

**Interprété par Shania Twain.**

( I do swear that I'll always be there. I'd give anything  
and everything and I will always care. Trough weakness  
and strength, happiness and sorrow, for better, for worse,  
I will love you with every beat of my heart.)

From this moment life as begun

From this moment you are the one

Right beside you is where I belong

From this moment on

From this moment I have been blessed

I live only for your happiness

And for your love I'd give my last breath

From this moment on

I give my hand to you with all my heart

Can't wait to live my life with you, can't wait to start

You and I will never be apart

My dreams came true because of you

From this moment as long is as I live

I will love you, I promise you this

There is nothing I wouldn't give

From this moment on

You're the reason I believe in love

And you're the answer to my prayers from up above

All we need is just the two of us

My dreams came true because of you

From this moment as long as I live

I will love you, I promise you this

There is nothing I wouldn't give

From this moment

I will love you as long as I live

From this moment on
