

You Want It All - 1/2

Interprété par Sheryl Crow.

You pick up the pieces
There's no looking back
There's no use in crying over what you never had
Please Mr. Pleaser
Don't leave us here so sad
Cause you want it all
Cause you want it all

I got the news this morning
Something better came along
That's no kind of warning
When a good thing's gone wrong
But I got a feeling you'll be calling me back up
Cause what you had and what you want
Will never be enough
Cause you want it all
Cause you want it all
Oh, what you gonna do when your heart begins to fall
One of these days you'll be down on your knees
Begging me please, yeah
Yeah

Oh oh oh oh
Oh oh oh oh
Yeah
Oh oh
Oh oh oh oh
Yeah yeah

I got the news this morning
Something better came along
That's no kind of warning
When a good thing's gone wrong
But I got a feeling you'll be calling me back up
Cause what you had and what you want
Will never be enough
No, what you had and what you want
Will never be enough
Cause you want it all

One of these days you'll be down on your knees
Begging me please
