

## Safe And Sound - 1/2

**Interprété par Sheryl Crow.**

Maybe this is forever  
Forever fades away  
Like a rocket ascending into space  
Could you not be sad  
Could you not break down  
After all I won't let go

Until you're safe and sound  
Until you're safe and sound

There's beauty in release  
There's no one left to please  
But you and me

I don't blame you for quitting  
I know you really try  
If only you could hang on through the night  
I don't want to be lonely  
I don't want to be scared  
All our friends are waiting there

Until you're safe and sound  
Until you're safe and sound

Feel like I could've held on  
Feel like I could've let go  
Feel like I could've helped you  
Feel like I could've changed you  
Feel like I could've held you  
Feel like I could've hurt you  
Feel like I was a stranger  
Feel like I was an angel  
Feel like I was a hero  
Feel like I was a zero  
Feel like I could have changed you  
Feel like I could have healed you  
Feel like I could have saved you  
Feel like I should've heard you  
Feel like I could have moved you  
Feel like I could have changed you  
Feel like I could have healed you  
Feel like I should've told you  
Feel like I could have loved you  
Feel like I could have loved you  
Feel like I could have loved you  
Feel like I really loved you  
Feel like I really loved you
