I woke up this morning
Now I understand
What it means to give your life
To just one man
Afraid of feeling nothing
No bees or butterflies
My head is full of voices
And my house is full of lies

This is home, home
And this is home, home
This is home

I found your standing there
When I was seventeen
Now I'm thirty-two
And I can't remember what I'd seen in you
I made a promise
Said it everyday
Now I'm reading romance novels
And I'm dreaming of yesterday

This is home, home
And this is home, home
This is home

I'd like to see the Riviera
And slowdance underneath the stars
I'd like to watch the sun come up
In a stranger's arms

This is home, home
And this is home, home
This is home

I'm going crazy
A little at a time
And everything I wanted
Is now driving me away
I woke this morning
To the sound of beating hearts
Mine is full of questions
And it's tearing yours apart
