

## Over the water - 1/1

**Interprété par Cardigans.**

Turn away and the collar  
Because the blowing is dry  
Walk away to the harbour  
Before your ships will fly

Slip away and the pillow  
Because it's falling of down  
Trot away and around  
Because your ships are found

Somewhere over the water  
Next to a harbour  
Someone's eager to listen

Someone to be in...
