You got yourself some action
Said you got yourself a body
You got yourself an ass with a
Mind of its own
Bring something to the party

You got yourself addicted
You shoot up, it saves you time
You got yourself a paycheck
Faces in the places where the sun don't shine

I'll be your sexual freak (freak)
Of the week
I'll be your inspirational brother (sister)
Yo mama can't you see

I'll be your sexual freak
Of the week (oh touch it)
I'll be your educational lover
Your one fantasy

Can I come on in, my sweet baby
Can I move on in
Can I come on in, my sweet baby
Can I move on in

You got yourself some action
Said you got your sexy Java
You got your speed connection
Free chat, that, get a little harder

You got yourself a big bed
You shoot off, take your time
In the house with a bitch and a mouse
And your dady's plastic how fantastic yeah

I'll be your sexual freak (back up on this)
Of the week (yeah I think I need a re-booty)
I'll be your inspirational brother (sister)
Yo mama can't you see

I'll be your sexual freak (b-b-back)
Of the week (b-b-back back, sexy mama, sexual)
I'll be your educational lover
(Yeah) Your one fantasy

Sexual freak (sister)
