[Spoken low]

Baby, baby, we can do all that we want
We're gettin' nasty, nasty, we're getting freaky, freaky

'Cause I can hear ya, hear ya, and I can see ya, see ya

We're getting nasty, nasty, we're getting freaky, freaky

[Chorus 1]

Digital, digital get down (get down) just you and me
(You may be) Twenty thousand miles away, but I can see ya
And baby, baby you can see me
Digital, digital get down (get down) just what we need
We can get together naturally
(We can) We can get together on the digital screen

[Justin]

Every time I'm sittin all alone girl
I can't wait to get you on the phone girl
So, pick it up, babe
I can see everything you do
Bouncin' me from satellite to satellite
I love the things you do for me so late tonight
So turn me on, yeah
It's like I'm right there next to you, yeah

[Chorus 2 - Justin]

Can we get connected?
I need some love and affection, baby
I'll call you on the phone
I hope that I get through
If you're in the mood and on the phone,
here's what you do: leave a message
You know the kind I like to get back to

[Repeat Chorus 1 with Justin's echoes]

Yeah

[JC]

I lose my mind just when you're speaking
I see you on the screen, I get to freaking
So, get down, babe
And I'll get down for you
