

Hey Mr D.J - 1/2

Interprété par Backstreet boys.

Aaah
Backstreet
Yes yes, one time (x2)

I could tell when I stepped in the room
And I saw you standing there
Going about by the way that you moved
I couldn't help the way I stared
They were some mysterious pulse
Leading me here to you
Lead me to you
So I stood there watching
And I was hypnotize
By the rhythm of your body
And the music in your eyes
I was lost inside your world with you
Oooh

Refrain :
Hey, Mr. DJ
Keep playing this song for me
Out on the floor, in my arms
She's got the beat
Let's get it on (let's get it on)
Jam all night long
Mr. DJ, Mr. DJ
Play it, play it for me

Now it feels like it could be romance
As we dance across the floor
Every move that your body makes
Only makes we want you more
And it seems like time's moving fast
How can we make it last
Make it last, somehow

Refrain :
As I keep on dancing
I am hypnotize
Bye the rythm of your body
And the music in your eyes
And I was lost inside your world with you, Oooh

Refrain :
Close your eyes (close your eyes)

Hey Mr D.J - 2/2

And imagine (just imagine)
That music put you in your arms
(That music put you in your arms)
I get lost (I get lost),
Lost inside a groove with you
(lost inside a groove with you)
When you do the dance you do
Come on and work your body
Work your body

Refrain :

Hey Mr. DJ, Jam all night long
Hey Mr. DJ, Play that song for me (2x)
Keep it going Mr. DJ....
