

# Nobody but you - 1/1

**Interprété par Backstreet boys.**

Ain't nobody else but you (x3)

There is nobody who can make me cry  
Nobody else can do it

Nobody but you (x2)  
(ain't nobody else but you)

There is nobody who can make me lie  
Nobody else can do it

Nobody but you (x2)  
(ain't nobody else but you)

Nobody, nobody but you  
Gimme one more chance  
To make it right  
Time has gone for us to reunite  
Baby it's true  
(ain't nobody else but you )  
There's no one like you

There is nobody who can make it right  
Nobody else can do it  
Nobody but you  
You know what to do  
(ain't nobody else but you)  
Nobody, nobody but you

Some body tell me  
'Cuz I can't eat or sleep  
When your not close to my body  
Youre a bitter sweet delight  
Come and help me through the night  
(nobody ! )  
Ain't nobody else can make me cry  
Ain't nobody else can make me lie  
Nobody but you  
(ain't nobody else but you)  
Nobody but you  
(nobody can make me lie)

Gimme one more chance to make it right  
Time has gone for us to reunite  
'Cuz Baby it's true  
Ain't nobody else but you  
There's no one like you
