

This I promise you (With everything I am) - 1/1

Interprété par Backstreet boys.

It's in the silences
The words you never say
I see it in your eyes
Always starts the same way
It seems like everyone
We know is breaking up
Does anybody ever stay in love anymore

CHORUS

I promise you
From the bottom of my heart
I will love you 'til death do us part
I promise you
As a lover and a friend
I will love you like I'll never love again
With everything I am

I see you look at me
When you think I'm not aware
You're searching for clues
Of just how deep my feelings are
How do you prove the sky is blue
The ocean's wide
All I know is what I feel
When I look into your eyes

CHORUS

There are no guarantees
That's what you always say to me
And late at night I feel the tremble in your touch
What I'm trying to say to you
I never said to anyone

CHORUS...with everything I am
