

The call - 1/2

Interprété par Backstreet boys.

Spoken :

Hi, it's me... what's up baby?

I'm sorry, listen,

I'm gonna be late tonight so.

Don't stay up and wait for me, ok?"

"Where are you?"

"Say that again.

You're really dropping out.

I think my battery must be low.

Listen, if you can hear me,

we're going to a place nearby alright... gotta go!"

Let me tell you the story 'bout

the call that changed my destiny

Me and my boys went out

Just to end up in misery

Was about to go home when there she was standing in front of me

I said hi, I got a little place nearby, wanna go?

I should've said no,

Someone's waiting for me

But I called my girl up and said...

CHORUS

Listen baby I'm sorry

Just wanna tell you don't worry

I will be late, don't stay up

And wait for me

Say again, You're dropping out... my battery is low

Just so you know,

We're going to a place nearby

Gotta go!

Now two years gone,

Nothing gets won

I can't take it back,

What's done is done

One of her friends found out

That she wasn't my only one

And it eats me from inside

That she's not by my side

Just because I made that call and lied

CHORUS

Let me tell you the story 'bout the call that changed my destiny

Me and my boys went out

Just to end up in misery

The call - 2/2

Was about to go home when
There she was standing
There in front of me

I said hi, I got a little place nearby... gotta go!

CHORUS
