[Timbaland]

Timbaland never walk in a place

He can't walk out rough

Gettin' rude in the place

With a gun in my waist

I just might pop out slugs

With a straight arm

Bullets stomp through your fat

Bump till the animals jump out rough

No justifications

While my song question like that Jigga What?

I'm the call to the thugs gon' fight

In the club so tight, y'all KY-Dub

Sometimes I fall but because I get right up

With the drop top

And your mouth drop like

"WHAT THE FUCK?"

Only deal with conjunction chicks

When I'm looking to hit

They give me butt

Now who da man, say Timbaland!

[Static(?)](Lil' Man)

Now off the top, off the top

(We at it again)

From the candy store to the coffee shop

(We at it again)

To your girl next door, to your boy next door

(We at it again)

To the one's at the club

To the people on the floor

(We at it again)

Hit in one mo' gin

Now say off the top, off the top

We at it again - 2/3

But you niggas keep wanting to slip
Then a fool like me come out with a thang on the hip
Get back in our ride, legs are up in your driver side
Those seats lookin' like you better be ready to hide
One in your leg, two in your side
