Yo, in the city, see catch run
I heard jewel, money squashed in the mark down
In the pure fidel, ain't no touchin' my click
Step to me wrong, I'm bustin' my clip
G felon, seperate the real from the story tellin'
More exclusive than the powder that these n, we get 'em in tons
And if you never took a L, consider it won, what

It's open season, all them C's, let's get it on
Who wanna come down and test Cajun?
I'll slaughter all of ya if I wanna, heard me potna?
Y'all gon' learn how to respect your father
I'm the street scholar, squeeze tight on my trigga
And take what I want, get caked in my spot
Chief, I knock out teeth when it's drama, no doubt
Might as well be summertime, the way the heat comes out
I'm quick to collapse, so y'all better watch how you act
Cuz the the clip on my 3-8 will make my wrist snap back
And I draw like Doc Holiday, see ya tombstone
Cuz I'm ready, I'm so so ready
