

## I don't wanna - 1/2

**Interprété par Roméo doit mourir.**

Chorus:

I don't want to be  
Be without ya, be without ya  
I don't want to live  
Live without ya, live without ya  
I don't want to go  
Go without ya, go without ya  
I don't want to be alone

Verse 1:

When we hooked up  
We sat down  
Made an agreement  
We vowed that  
That we always be together  
Thru whatever  
We said that  
No one would ever  
Get between us  
Said we'd never  
Ever leave us  
That was a while ago  
But now lately  
It feels like  
I mean I feel like  
All we do is fight  
Every single night  
Can't make it tight  
Can't get it right  
I just want to go back  
Take it way back  
All the way back  
Can we start again  
Do it over  
Can we straighten it out  
Can we work it out  
Cause i don't wanna be

Chorus:2x

Verse:2

Do you realize  
I can't sleep without ya  
Think without ya

## I don't wanna - 2/2

Speak without ya  
Be without ya  
I can't even breath without ya  
I can't feel without ya  
Deal without ya  
Spend without ya  
My whole world is upside down  
Don't wanna go out  
Cause I can't ride without ya  
Feel like I'm gon die without ya  
What is a girl supposed to do  
When i spend my last dime  
To be in your life

Chorus: 2x

Bridge:

How can we ( said its not working out)  
We ought to be ( Always together)  
Its hurting me ( That we don't talk no more)  
It wasn't supposed to be this way  
Where did we go wrong  
We both made mistakes  
We've got to carry on

Chorus: 4x
