Let's get back to bed boy! - 2/3

I know what you can do

You say you wanna go to bed baby

(you shut your mouth)

Well, I'd happily oblige

We'd go for a ride

But now I'm back inside

Droptop Benz

With hot boys on the side

(That's right)

Pull up the dough

We drove for you and I

Miss Sarah – I wanna wear you

Like a Gucci sweater

To get you all alone in a tong –

I do whatever

Get me a bottle of Dom –

I do it better

Wake up in the morning, baby

Stuck together,

Baby, you and I

Hey yeah, get down (get down)

Cause all you're gonna give

You'll get back from me

Hey yeah, get down

(no more plan baby oh oh)

Let's get back to bed baby

Refrain

I'm not your sister

You're not my brother (yeah)

There are so many things

That we should discover

(you're damn right)

So let's get it on

Get it on with each other

(yeah come on, give it to me baby)

Oh, oh, oh, oh

Na na nana nana nana (3x)

Let's get back to bed

(yeah come on, give it to me now)

Nana nana nana nana (3x)

Oh, oh, oh, yeah, that's right

Refrain:

Monday until Sunday,

Let's get back to bed boy! - 3/3

Let's get back to bed, boy

Let's get back to bed boy
May until December
We will not surrender
