

Your flesh is so nice - 1/1

Interprété par Jeff Buckley.

I want to tell you a story
About a little cutey
She's ass-slappin' pretty
And voluptuous fingers
Wanna let her lick me
Stick the thick of my pussy
And as I cross the street
She looks good enough to eat me

Kitty!
Your flesh is so
Your flesh is nice
Your flesh is nice
Let me take a bite
Flesh is so nice

Oh, I take off my belt
Oh, I whip the staircase
Whip the staircase
Oh, kill all the men
Everything's dead to them
You're the only one I follow
Come on and let me give you that "O"

Flesh is nice
Your flesh is so
I wanna take you twice
Your flesh is nice
Your flesh is so
Your flesh is nice...
