

Anytime - 1/1

Interprété par Brian McKnight.

verse 1:

I can't remember why we fell apart
From something that was so meant to be.
Forever was the promise in our hearts.
Now more and more, I wonder where you are.

chorus:

Do I ever cross your mind anytime?
Do you ever wake up reaching out for me?
Do I ever cross your mind anytime?
I miss you...

verse 2:

Still have your picture in a frame.
Hear your footsteps down the hall.
I swear, I hear you voice driving me insane.
How I wish that you would call to say...

[CHORUS]

bridge:

(Oh, no more)
Loneliness and heartache.
(No more)
Crying myself to sleep.
(Oh, no more)
Wondering about tomorrow,
Won't you come back to me, come back to me.
(Oooohhhh...)

[CHORUS 'til end...]
