

River of dreams - 1/2

Interprété par Billy Joel.

In the middle of the night
I go walking in my sleep
From the mountains of faith
To a river so deep
I must be looking for something
Something scared I lost
But the river is wide
And it's too hard to cross

And even though I know the river is wide
I walk down every evening and I stand on the shore
And try to cross to the opposite side
So I can finally find out what I've been looking for

In the middle of the night
I go walking in my sleep
Through the valley of fear
To a river so deep
And I've been searching for something
Taken out of my soul
Something I would never lose
Something somebody stole

I don't know why I go walking at night
But now I'm tired and I don't want to walk anymore
I hope it doesn't take the rest of my life
Until I find what it is that I've been looking for

In the middle of the night
I go walking in my sleep
Through the jungle of doubt
To a river so deep
I know I'm searching for something
Something so undefined
That it can only be seen
By the eyes of a blind
In the middle of the night

I'm not sure about a life after this
God knows I've never been a spiritual man
Baptized by the fire, I wade into the river
That runs to the promised land

In the middle of the night
I go walking in my sleep
Through the desert of truth
To a river so deep

River of dreams - 2/2

We all end in the ocean
We all start in the streams
We're carried along
By the river of dreams
In the middle of the night
