Who the man allowed to make you moist and wet

Who the man allowed to make you moan and sweat

Who the man allowed to make you scream out yes

Mr. lover Mr. lover

Who the man allowed to make you moist and wet

Who the man allowed to make you moan and sweat

Who the man allowed to make you scream out yes

Mr. lover

Sweet succulent and fine

A twinkle in you eye you a mi darling divine

I love the way you move and all the way you design

You running laps round my mind forget that corny line

Now let me hit you off with this question sign

You seem to be the type for me to wine and dine

A little candlelight dinner toasted over some wine

Well I will hit you off now with this lyrical rhyme

Now Mr. lover keep you rocking

Mr. lover keep you rocking

Mr. lover keep you rocking and swing

Now Mr. Lover keep you rocking

Mr. Lover keep you rocking

Mr. Lover keep you rocking and swing

Janet

Ooh Boy I love you so never ever gonna let you go

once I get my hands on you

Ooh Boy I love you so never ever gonna let you go

I hope you feel the same way too

Step in mi caravan of love

So I can love you down and give you hot oil rub

Deliver wet kisses with embracing hugs

And have you sweet silky body on my Persian rug

While we be sipping cocoa from the same old mug

And reading fortune cookies from the Chinese grub

And listen some Gregory Isaac for some cool rub a dub

And later on we'll reminisce in the hot tub

Janet

Well girly girly you buck upon a real love machine

Girly girly I'm here to make your heart skip a beat

Girly girly I hit you between the sheets

Girly girly I make you moan and scream

Girly girly you buck a real love machine

Luv me, luv me - 2/2

Girly girly I hit you between the sheets
Girly girly I make you moan and scream
Girly girly you know what I'm saying

Girl you unique
Now make me take a whiff off that sweet physique
You're the only girl alive to make my heart stop beat
Leave me ha ha breathless c--an c--an hardly sp-speak
To make a lady of your caliber is a honor indeed
Leave a lasting impression for weeks and weeks
I would a throw rose petals to your humble feet
Lay you gently on my sheets
And sexercise you to sleep
