

## Come with me - 1/2

**Interprété par Puff Daddy.**

Come With Me

Hear my cries Hear my calls

Lend me your ears

See my falls See my errors

Know my faults

Time halts See my loss

Know I'm lacking Backtracking

Where I met you Pistol packing

Itchy finger Trigger happy T

ry to trap me Bear rap

Wire tap me Back-stab me

Break the faith Fall from grace

Tell me lies Time flies Close you eyes

Come with me, Come with me, Come with me

You said to trust you You never hurt me

Now I'm disgusted To stand adjusted

Certainly you fooled me Ridiculed me

Let me hangin Now shit's boomerangin

Right back at you Big long range

Narrow minded Let be blinded I cosigned it

Shit backfired But I'm bouncing back I'm grinded

Not many were there Pressure

You comprehend me

You want to end me You offend me

Drama Feel the trama

Come with me, Come with me, Don't be afraid

Come with me

I close my eyes And I see you standing there

I cry Tears Of sorrow I die

I fought my enemies Fought my foes

Damn these hoes

You steppin on my toes Back up off me

Take your hands off me

Give me room to breathe I'm not hearin I'm not fearin it

I'm up to my ears in it Bullshit I'm destructive

So when they find that deductive

So say it's lunacy

But luckily I'll be movin on I ignore you

Sorry if I bore you I neglect you

Don't mean to disrespect you Can't you see I love you dearly

And that's sincerely

But you annoy me You can't afford me I'm here to stay

Forever, and ever

In a day that's never I can't let you go I can't forget it

Why you did it I won't permit it I wanna quit it I wanna fight you

I'll fuckin bite you
