Check it out.....well
All up in the mix on a friday night (friday night)
Me and my guys looking oh so tight(oh so tight)
Bouce from the crew to the car
From the car fright away to the bar
Always love you from afar
Oh, that wait a minute yes
I'm loving it bad
Girl i really wanna come and get with you tonight,
Alright, alright
Ooooh girl you look so fine
And i want you to be mine
Well, had nothing to lose
Thought i'd make my move
Getting close to you
Is all i wanna do (oh)
I can remember so clearly
You all up in your round
Didn't notice me
So maybe nows the time to make my move lady
So i asked her if she'd mind
Could we share a little time told me that would be just fine
Couldn't believe had her by by my side
Who'd ever thought she'd end up in my ride
Straight to the top
Girl you make me hot
And just 4 times a lady
Spinning around with her all throught the night
Gonna be making sweet love with her all throught the night
Straight to the top
Girl you make me hot
And just 4 times a lady
And she calls me up the phone nearly evry night
Just to make sure that i'm not felling lonely,yeah
And she coming round,telling me asking i'm felling uptight
Yeah baby
So i said that take my darling for aminute she's kinda girl You wanna have around who's all up in it
She's my everything

And she'd all the thing that a girls supposed to be
