

## Why - 1/3

**Interprété par Mis-Teeq.**

Just tell me why, why  
It's the remix  
You'll see  
Tell me why

We've always been so close together  
Doing things that only best friends do  
Always there for one another  
Through the bad times and the good  
The other night you held me close  
Need to know, did we just cross the line  
This other side just feels so right  
Won't you tell me...

Why? Why?  
Why do friends and lovers take so long  
Now that we've come around  
We finally found a love forever strong  
Why? Why?  
Why are you so near and yet so far  
How could I be so blind  
When all the time I was in your heart

Here we go, here we go  
Move to the beat and go with the flow  
Tom-tom gimme tom gimme more  
Move with the beat and with the tempo

For so long I've been searching  
For that love that I can call my own  
Now I know I was only waiting  
For the face I've always known  
I believe what heaven is, just like this  
Every time we kiss  
And deep inside I feel so high  
Won't you tell me...

Why? Why?  
Why do friends and lovers take so long  
Now that we've come around  
We finally found a love forever strong  
Why? Why?  
Why are you so near and yet so far  
How could I be so blind  
When all the time I was in your heart

As we live with integrity
