There's something about the look in your eyes Something I noticed when the light was just right It reminded me twice that I was alive And it reminded me that you're so worth the fight

My biggest fear will be the rescue of me Strange how it turns out that way, yeah Could you show me dear? Something I'm not seeing Something infinitely interesting Could you show me dear? Something I'm not seeing Something infinitely interesting

There's something about the way you move
I see your mouth in slow motion when you sing
Like suddenly something someone contrives
Your movements echo that I have seen the real thing

Your biggest fear will be the rescue of you Strange how it turns out that way, yeah Could you show me dear? Something I'm not seeing Something infinitely interesting Could you show me dear? Something I'm not seeing Something infinitely interesting
