

## Curb - 1/2

**Interprété par Nickelback.**

Have I gone all too far?  
Have I been here before?  
If I have let me know  
How it goes  
Take her place  
And I will  
See her face  
No reason  
Let it slide  
And I will  
Watch her die...  
To run through fields  
To find, and I will  
Hold, then lead, then lie  
And I will... no I won't

Is it now really time?  
Can I just give mind, if  
I can simply trade  
Deal Made

Take her place  
And I will  
See her face  
No reason  
Let it slide  
And I will  
Watch her die...  
To run through fields  
To find, and I will  
Hold, then lead, then lie  
And I will... no I won't

Run, hide away from me  
Desouled, to seek, decide  
And I will, no I won't

Run through fields to find  
Hold then lead, then lie  
And I will  
Run, desouled, and  
Hold, to heal, to find  
And I can't

Where?  
I was wrong to think that I could ever trust in you,  
I was wrong to think that you might want to trust me, too.

## Curb - 2/2

Here I am, here I am,  
Here I stand,  
Here I am, here I am, here I am, here I stand.

I was wrong to think that I could ever love in you,  
I was wrong to think that you might want to love me, too.

Here I am, here I am,  
Here I stand,  
Here I am, here I am, here I am, here I stand.

So where the hell are you?  
So where the hell are you?  
So where are you when I need someone, too?  
I'm tired of needing you.
