

One big mob - 1/2

Interprété par Red Hot Chili Peppers.

I am you are me
Good woman said you gotta believe
Submerge into the urge of we
Deliciously the mystery

One big mob aw yea aw yea
One big mob aw yea aw yea
Ek bara mala aw yea aw yea
Ek bara mala aw yea aw yea

Ooze into into my noodle
East or west shepherd or poodle
Ladybug pinetree
To mingle with the bumblebee
A lover to the sun
And a brother to the cool breeze

One big mob aw yea aw yea
One big mob aw yea aw yea
Ek bara mala aw yea aw yea
Ek bara mala aw yea aw yea

Scrawled upon the wall
Of a bathroom stall
A stranger wrote a note
That spoke to all

One two buckle my shoe
Take care of me
'Cause I might be you

One big mob aw yea aw yea
One big mob aw yea aw yea
Ek bara mala aw yea aw yea
Ek bara mala aw yea aw yea

We live in the city
We live in the jungle
It's time to be drinking
A thimble humble
Everything you ever see
Is never more than you and me
Give it on in to the beauty of the MYSTERY

One big mob in one big home
A broken home
I'd like to share some air with you

One big mob - 2/2

Some air with you
A morning forest full of truths
The green is blue
The head that's getting pregnant lives
To give and give
What was I thinking in my head
The color red
Breaking hearts instead of bread
Something I said
Checkmated by frustration...
...Need to be cut loose
A different kind of being lost
...A sullen cost

Picaboo street
in Timbuktu
Do I need repeat
That a boy
named Sue
Rockin'
to the beat
Of the kangaroo
Let me kiss your feet
And your
forehead
too
