

Pea - 1/1

Interprété par Red Hot Chili Peppers.

I'm a little pea
I love the sky and the trees
I'm a teeny tiny little ant
Checking out this and that
I am nothing
So you have nothing to hide
And I'm a pacifist
So I can fuck your shit up

Oh yea I'm small

Fuck you asshole
You homophobic redneck dick
You're big and tough and macho
You can kick my ass
So fucking what
