

# Who will save your soul - 1/1

**Interprété par Jewel.**

People living their lives for you on TV  
They say they're better than you and you agree  
Another burger, another hot dog, some fries  
A wish in the well, hope your health don't go to hell, well  
Another doctor's bill, another lawyer's bill  
Another cute cheap thrill  
You know you love him if you put him in your will

## CHORUS:

Who will save your soul when it comes to the flower  
Who will save your soul after all the lies that you told, boy  
Who will save your soul if you won't save your own?  
We try to hustle them, try to bustle them, try to cuss them  
The cops want someone to bust down on Orleans Avenue  
Another day, another dollar, another war, another tower  
Went up to where the homeless had their homes  
So we pray to as many gods as there are flowers  
But we call religion our friend  
We're so worried about saving our souls  
Afraid that God will take His toll  
That we forget to begin

## CHORUS

Some are walking, some are talking, some are stalking their kill  
You get social security, but that don't pay your bills  
There are addictions to feed and there are mouths to pay  
So you bargain with the Devil, say you're o.k. for today,  
You say that you love them, take their money and run  
Say, it's been swell, sweetheart, but it was just one of those things  
Those flings, those strings you've got to cut,  
So get out on the streets, girls, and bust your butts.

## CHORUS
