HOOK 1:

She's a bitch!
When you say my name, talk more junk but won't look my way
She's a bitch!
See I got more cheese, so back on up while I roll up my sleeves
You can't see me Joe, get on down while I shout my flow
She's a bitch!
When I do my thang, got the place on fire, burning down to flames

Roll up in my car, don't stop won't stop
I'ma keep it rockin to the clock don't tock
I'ma keep it hot, while my ass on fire,
I'ma grab a philly an gonna roll it at the bar,
What ya talk what ya say, hun!
Gotta flow gotta move it slow, hun!
Better you running out the door, hun!
You gotta be a long lost soul what ya say,
Yippy yeah yo - yippy yeah yeah yah,
Put me on stage watching niggas feel me
Put my shit on wax, watch it blaze like me,
Go yippy yeah yo - yippy yeah yeah yeh
