

## Voyeur - 1/1

**Interprété par Blink 182.**

And when the day ends I'm sure she feels sorrow  
The lonely guy I am I wait for her to change  
I've been here two days I'll sure be here tomorrow  
I'd eat her all if she were on my dinner plate

I'd wish she'd be more kind now  
I'm out of luck cause the shades are pulled down  
I've seen everything there is to be shown  
I followed her all the way home

I can't be too cool in a tree with my pants down  
The air is cold and I've got splinters in my feet  
She caught me once but I don't think that she cares now  
Unlike before her view is now blocked by a leaf

I'd wish she'd be more kind now  
I'm out of luck cause the shades are pulled down  
I've seen everything there is to be shown  
I followed her all the way home

I bet this last times the one time to many  
The rush of waiting is burning through my head  
Right after supper her brother showers twice a week  
He kicks my ass so much that filthy white inbred

I've made mistakes by looking in the wrong window  
Her dad is big and I've never seen his face  
I've been here two days I'll sure be here tomorrow  
My lady's so sweet she likes to entertain

I'd wish she'd be more kind now  
I'm out of luck cause the shades are pulled down  
I've seen everything there is to be shown  
I followed her all the way home

I bet this last times the one time to many  
The rush of waiting is burning through my head  
Right after supper her brother showers twice a week  
He kicks my ass so much that filthy white inbred
