

## One way to go - 1/1

Interprété par The verve.

you 've got to lift yourself up so high  
you can 't see the ground  
you don 't hear a sound  
you 've got to move it up so slow  
you 'll see it all  
you 'll probably fall  
I 'd rather die than see you fly  
Than see you try  
It 's like pushing up thoughts to get in your mind  
I don 't care what I find  
It 's like pushing up thoughts to get in your mind  
I don 't know what I'll find  
you 've got to move me up  
So high it hurts  
So high it works  
But if you let me down  
don 't bother to call just let me fall  
I 'd rather die than see you fly  
Than see you try  
It 's like pushing up thoughts to get in your mind  
I don 't know what I'll find  
It 's like pushing up doors to get in your mind  
I don 't care what I find  
It 's all I want
