

## This time - 1/1

**Interprété par The verve.**

- 1) Looking back on my life,  
you know that all I see are things I could've changed,  
I should've done,  
Where did the good times go,  
good times are hard to hold,  
this time, this time  
This time I'm gonna find...
- 2) Looking back on my life,  
you know that all I see are things I could've changed,  
I could've done,  
No time for sad laments,  
a wasted life is bitter spend, yeah  
So rise into the light, in or out of time,  
gonna rise straight through the light, in or out of time,
- 3) Woke up another day,  
the pain won't go away,  
I am goin in peculiar way,  
Into the light I pass another dream another trance,  
this time, this time  
This time I'm gonna rise into the light, in or out of time,  
gonna find my way in light, in or out of time,  
gonna rise straight through the light, in or out of time
