

## Weeping willow - 1/1

Interprété par The verve.

When morning breaks  
We hide our eyes and our love's aching  
Nothing's strange  
It was in our hands from 6 to 10  
It slipped right out again  
There 'll be no better time  
There 'll be no better way  
There 'll be no better day to save me  
save Me  
Yeah, save me  
I hope you see like I see  
I hope you see what I see  
I hope you feel like I feel  
And the world don't stop  
There is no time for cracking up  
Believe me friend  
'Cause when freedom comes  
I 'll be long gone  
You know it has to end  
There 'll be no better time  
There 'll be no better way  
There 'll be no better day to save me  
save Me  
Yeah, save me  
Yeah, save me  
I hope you see what I see  
I hope you feel like I feel  
Someone to stand beside me  
Beside Me  
Beside Me  
Beside Me  
Beside Me  
Weeping willow  
The pills under my pillow  
Weeping willow  
Pills under my pillow  
Weeping willow  
The gun under your pillow
