

## C'mon people (We're making it now) - 1/2

Interprété par Richard Aschcroft.

Sometimes I feel like I can't move on  
Nothing in life is turning me on

But I still see clearly  
When I see you smiling

You know when nothing seems to fit  
I couldn't see my way through the shit (single version 'trip')

But every single second  
Of my waking day

Was thinking of you  
Thinking of you  
You never know

That I am alive  
I am a live  
I wanna grow

And there are so many things I can do  
Just like falling in love with you  
So take my hand now  
Understand me  
You can come here too

Come on people we're making it now  
Yeah yeah yeah  
Come on people we're making it now  
Yeah yeah yeah

But today I've worked it out  
I got something I can shout about

Someone who believes in  
All the things I'm thinking

But where have you gone  
Where have you gone

I'll never know  
For I am alive  
I am alive  
I wanna grow

And there are so many things I can do  
Just like falling in love with you

## C'mon people (We're making it now) - 2/2

So take my hand now  
Understand me  
You can come here too

Come on people we're making it now  
Yeah yeah yeah  
Come on people we're making it now  
Yeah yeah yeah  
Come on people we're making it now  
If only you could be with us oh

Oh oh oh oh I feel fine now  
Oh oh oh oh I feel fine now  
Don't stop now  
Oh oh oh oh I feel fine now  
No no no don't stop now  
Oh oh oh oh I feel fine now  
No no no don't stop now  
Oh oh oh oh I feel fine now  
If only you could be with us  
Come on people we're making it now  
If only you could be with us
