

Money to burn - 1/3

Interprété par Richard Aschcroft.

Whoa oh oh
I got money to burn
I wanna burn it on you

Come on yeah yeah
We got one short life
I wanna spend it with you

You light my fire
I wanna burn all night
I wanna burn on through

Oh yeah yeah
I got one short life
I wanna spend it with you

Ooh baby
You're my sweet saviour
You're my one adventure
You're the only gift I've got
From above
From above

Ooh ooh ooh
We got one last dance
I wanna dance with you

Come on now now
We got one last supper
Gonna eat with you

Oh yeah yeah
We got one last high
Wanna get high too

Come on now now
I got one short life
I wanna spend it with you

Ooh baby
You're my sweet saviour
You're my one adventure
You're my one and only gift I've got
Now baby
