

Brave new world - 1/2

Interprété par Richard Aschcroft.

Into the brave new world
I hope I see you on the other side
Of this changing world

Baby when my ship pulls in
I try to believe in anyone
Look at the state I'm in

But for now
I'm just sitting at the table
Hearing songs
Wishing I was able
Stable nah, nah, nah, nah, nah, nah, nah
Nah, nah, nah, nah, nah, nah, nah
Nah, nah, nah, nah, nah, nah, nah
I hope I see you on the other side
Nah, nah, nah, nah, nah, nah, nah
I hope I see you on the other side

Brother don't try to find
Don't try to believe in anyone
For I will change your mind

Baby when my ship pulls in
I try to believe in anyone
Look at the state I'm in

But for now
I'm just sitting at the table
Hearing songs
Wishing I was able
Stable nah, nah, nah, nah, nah, nah, nah
I hope I see you on the other side
Nah, nah, nah, nah, nah, nah, nah
I hope I see you on the other side
Nah, nah, nah, nah, nah, nah, nah
I hope I see you on the other side
Nah, nah, nah, nah, nah, nah, nah
I hope I see you on the other side

I hope I see you on the other side
Keep on pushing
Keep on pushing
I hope I see you on the other side
Keep on pushing
Keep on pushing
I hope I see you on the other side

Brave new world - 2/2

Keep on pushing
Keep on pushing
I hope I see you on the other side
Keep on pushing
Keep on pushing
I hope I see you on the other side

But for now
I'm just sitting at the table
And I'm hearing songs
Wishing I was able
Stable nah, nah, nah, nah, nah, nah
Nah, nah, nah, nah, nah, nah

Nah, nah, nah, nah, nah, nah
I hope I see you on the other side
Nah, nah, nah, nah, nah, nah
Brave new world
Nah, nah, nah, nah, nah, nah
I hope I see you no the other side
Nah, nah, nah, nah, nah, nah
Don't keep me waiting
Don't keep me waiting
Nah, nah, nah, nah, nah, nah
