

Playing my game - 1/1

Interprété par Lene Marlin.

Won't open my mouth,
you know what I'll say
it hurts me that it's gotta be this way
I can no longer hide
God knows I've tried
I held on as long as I could
if I could change it, I would
this is the way I am,
and this is what I do

I cry my tears but they're not for you
playing a game I know you're done too
I shouldn't have waited, but still it is all the same
cause you know I'm just playing my game

Close your ears if you don't like
the sound of my voice
you're acting like I,
like I had a choice but to
leave you behind well,
I've made up my mind

I cry my tears but they're not for you
playing a game I know you're done too
I shouldn't have waited, but still it is all the same
cause you know I'm just playing my game

Don't hold me with your eyes
the light in them I cannot see,
no need to blind me
there's this darkness where I walk
you thought you had your future
all figured out

I cry my tears but they're not for you
playing a game I know you're done too
I shouldn't have waited, but still it is all the same
cause you know I'm just playing my game
I'm just playing my game
