

Chain reaction - 1/1

Interprété par Bee Gees.

You took a mystery and made me want it
You got a pedestal and put me on it
You made me love you out of feeling nothing
Something that you do
And I was there and not dancing with anyone
You took a little , then you took me over
You set your mark on stealing my heart away
Crying , trying , anything for you

I'm in the middle of a chain reaction
You give me all the after midnight action
I wanna get you where I can let you make all that love to me
I'm on a journey for the inspiration
To anywhere and there ain't no salvation
I need you to get me nearer to you
So you can set me free
We talk about love , love ,love
We talk about love
We talk about love , love ,love
We talk about love

You make me tremble when your hand moves lower
You taste a little and you swallow slower
Nature has a way of yielding treasure
Pleasure made for you , oh
You gotta plan , your future is on the run
Shine a light for the whole world over
You never find your love if you hide away
Crying , dying , all you gotta do is

Get in the middle of a chain reaction
You get a medal when you're lost in action
I wanna get your love all ready for the sweet sensation
Instant radiation
You let me hold you for the first explosion
We get a picture of our love in motion
My arms will cover , my lips will smother you
With no more left to say
We talk about love , love , love
We talk about love
You let me hold you for the first explosion
My arms will cover , my lips will smother you

All you gotta do is get in the middle of a chain reaction
You get a medal when you're lost in action
I wanna get your love all ready for the chain reaction ...
