

Going away to college - 1/1

Interprété par Blink 182.

Please take me by the hand
It's so cold out tonight
I'll put blankets on the bed
I won't turn out the light

Just don't forget to think about me and I won't forget you
I'll write you once a week she said

Why does it feel the same
To fall in love or break it up
And if young love is just a game
Then I must have missed the kick off

Don't depend on if she ever followed you or
Anything but I'd go through hell for you
And I haven't been this scared in a long time
And I'm so unprepared
So here's your valentine
A bouquet of clumsy words
A simple melody
This world's an ugly place
But you're so beautiful to me

I think about the times
Se kissed me after class and
She put up with my friends
I acted like an ass

I ditched my lecture, to watch the girls play soccer
Is my picture still hanging in her locker ?
I haven't been this scared in a long time
And I'm so unprepared
So here's your valentine
A bouquet of clumsy words
A simple melody, this world's an ugly place
But you're so beautiful
