

Mister Iceberg (US) - 1/1

Interprété par Serge Gainsbourg.

Mister Iceberg holds in his north hand
A girl the colour of sand
And in his south hand
A no woman's land
Mister Iceberg has a heart of stone
He wants to be left alone
North and south he's ice
She's his sacrifice

Mister Iceberg Mister Iceberg
Mister Iceberg likes to make love on the rocks
Mister Iceberg Mister Iceberg
Mister Iceberg likes his little girls in socks

Mister Iceberg holds in his north hand
A girl the colour of sand
And in his south hand
A no woman's land
Mister Iceberg's tired of his game
Let her go they're all the same
She's his interlude
Frozen attitude
