

Boogie 2nite - 1/2

Interprété par Tweet.

Are you ready? Are you ready?

I hope you're ready

Are you ready? Cause I am

Said I'm ready to party yea

Grab your coat, get your keys

Cause whatever you're drinking

It's on me

Stay here if you want to, say what you want

But I gots to party, needs me a party

Came here to get ya, but I can't wait

To grab me a partner and cut a rug up 2nite

I found a place yea

Where we could boogie, boogie 2nite

I found a place yea

Where we could boogie, boogie 2nite

Are you ready?

Are you ready?

I know you're ready

Be ready here we are

Said we're off on the dance floor yea

Let me wet my throat, get 2 or 3

Then it's off to the dance floor

Follow me

Stand if you want to, stare if you want to

But I got to party, I'm up in the party

Glad that I got ya, and it's alright

You got you a partner, and cut a rug up 2nite

I found a place yea

Where we could boogie, boogie 2nite

I found a place yea

Where we could boogie, boogie 2nite
