

Comfortably Numb - 1/1

Interprété par Pink Floyd.

Hello

Is there anybody in there?
Just nod if you can here me
Is there anyone at home?

Come on now

I hear your feeling down
Well I can ease the pain
And get you on your feet again

Relax

I'll need some information first
Just the basic facts
Now can you show me where it hurts?

There is no pain, you are receding
A distant ship's smoke on the horizon
You are only coming through in waves
Your lips move but I can't hear what you're saying
When I was a child I had a fever
My hands felt just like two balloons
Now I've got that feeling once again
I can't explain, you would not understand
This is not how I am
And I have become comfortably numb

OK

Just a little pin prick
There'll be no more aaaaaaah!
But you may feel a little sick

Now can you stand up?

I do believe it's working, good
That'll keep you going through the show
Come on it's time to go

There is no pain, you are receding
A distant ship's smoke on the horizon
You are only coming through in waves
Your lips move but I can't hear what you're saying
When I was a child I caught a fleeting glimpse
Out of the corner of my eye
I turned to look but it was gone
I cannot put my finger on it and now
The child is grown
The dream is gone
And I have become comfortably numb
