

Communication - 1/2

Interprété par Cardigans.

For 27 years I've been trying
to believe and confide in
different people I found
Some of them got closer than others
and some wouldn't even bother
and then you came around
I didn't really know what to call you
You didn't know me at all
but I was happy to explain
I never really knew how to move you
so I tried to intrude through
the little holes in your veins

And I saw you
But that's not an invitation
that's all I get
If this is communication
I disconnect
I've seen you, I know you
but I don't know how to connect
so I disconnect

You always seem to know where to find me
and I'm, still here behind you
in the corner of your eye
I never really learnt how to love you
but I know that I love you
through the hole in the sky
where I see you
and that's not an invitation that's all I get
If this is communication
I disconnect
I've seen you, I know you
but I don't know how to connect
so I disconnect

Well this is an invitation
it's not a threat
If you want communication
that's what you get
I'm talking and talking
but I don't know how to connect
and I hold a record for being patient
with your kind of hesitation
I need you, you want me
but I don't know how to connect
so I disconnect
