ALBUM VEGAS 76

It seems that I have to declare
That I'm back in trouble
Down again
She told me watch out, you may fall
But I'm just a busy men I know
I've never said I love my car
I'm not a boor

She wrote that for me

She said she hates my everyday
When arrives the first spliff of the day
I offered
Can I lick the floor
Gimme 40 seconds, not one more
I said I will do my best
That's not enough

And she wrote that for me
