

Everyday Good - 1/1

Interprété par Patrice.

Chorus:

everyday good, because of beeing alive
from the day I was born till the day I'll died.

in high tide and in low tide I know that Jah will always be by my side.
he is the one that carries me through the night.
everyday he makes me open my eyes, and I will never give up the fight.
no, I will never give up my pride and if tomorrow I shall die,
I know that today is good because I'm alive.

Chorus

oh, mother nature, often I disrespect you but I love you.
oh, father Jah Jah, many times I do not appreciate the things that you give to me.
I walk through the valley of the shadow of death, but I don't have no fear.
'cause I know that at the end of the day, Jah Jah will be waiting there.
