

## Running - 1/2

## Interprété par No Doubt.

Run, running all the time Running to the future With you right by my side

Me, I'm the one you chose Out of all the people You wanted me the most

And I'm so sorry that I've fallen Help me up, let's keep on running Don't let me fall out of love

Running, running as fast as we can Do you think we'll make it? Do you think we'll make it? We're running, keep holding my hand So we don't get separated

Be, be the one I need Be the one I trust most Don't stop inspiring me

Sometimes it's hard to keep on running We work so much to keep it going Don't make me want to give up

Running, running as fast as we can
I really hope we make it
Do you think we'll make it?
We're running, keep holding my hand
So we don't get separated

Running as fast as we can
I really hope we make it
Do you think we'll make it?
We're running, keep holding my hand
So we don't get separated

## The future

Running, running as fast as we can Do you think we'll make it? Do you think we'll make it? We're running, keep holding my hand So we don't get separated

Running as fast as we can

## Running - 2/2

I really hope we make it Do you think we'll make it? We're running, running, keep holding my hand So we don't get separated
